for full details**

Pricing from \$7-\$25/mo. + tax, if applicable, depending on device tier.
See a mobile expert for details.

* Plus applicable tax. This applies when and where service is provided through Assurant-authorized repair centers. Otherwise, we'll provide a replacement device and collect the appropriate service fee/deductible based on device tier for all other accidental damage.

Property insurance (for loss and theft coverage) is underwritten by American Bankers Insurance Company of Florida in all states except New York. The Service Contract Obligor (hardware services and accidental damage) is Federal Warranty Service Corporation in all states, except in CA — Sureway, Inc.; in FL — United Service Protection, Inc.; in OK — Assurant Service Protection, Inc. These companies operate under the trade name Assurant. McAfee® Security for T-Mobile is not insurance or a service contract and is provided by McAfee, Inc. A Basic Device Protection Program is also available. The information in this document does not apply to New York residents. This coverage is optional. **This is a month-to-month program that automatically renews unless canceled.** Certain exclusions apply. Please see the plan coverage document for a full description of features and benefits, exclusions, limitations, service fees/deductibles, and cancellation information.
